

Evitech (Electronic Vision Technology)

# Jaguar

**Category:** Detection Systems

**Sub Category:** Video Analytics

## Description

Sterile Zone Video Analytics System

## Manufacturer

Manufacturer Name: Evitech (Electronic Vision Technology)

Telephone: +33 6 71 79 18 80

Website: <http://www.evitech.com>

---

## Specification

Version: 2.3.1.HW\_NPSA

Number of channels: typically 8 per unit (though we also sell 2/4/16 channels)

Processor: typically Intel Core i7 3770 (though for 16 channels we rely on Xeon biprocessor units)

Power consumption: 400W typical

Physical Dimensions: 4U 19" rackable units

Impedance matching mandatory at analogue video input (refer to installation documentation).
