---

## Specification

Summarised on the following drawing/document(s) available from the manufacturer:

733-20-01 – GA Page 1 of 15 (Revision 1) - General arrangement.

Rhino Ultimate Personnel Double Leaf Doorset Installation Instructions.

The doorset suits a 2254 mm high by 2000 mm wide structural opening. Its total weight is approximately 623 kg, while each leaf weighs approximately 263 kg.

A larger version of the doorset, suiting a structural opening measuring 2900 mm high by 2000 mm wide, has also been demonstrated to achieve the same protection level.

Rhino doors are Made in Britain
