Specification

Install in accordance with the following documents available from the manufacturer:

- Drawing '100217 Item 1 A6GTLHH - GA' dated 22/11/2017.
- Installation Guide - Revision 1 dated 19/12/2017.

The security blind assembly is 1010 mm wide by 1700 mm high.

The security blind achieves the protection level only when the blind is locked and both locking bars are engaged, retaining the blades in the closed position.

Specifiers and end users that deviate from the size and features stated, do so at their own risk.
