How to obtain an Overseas Criminal Record Check
Guidance for Employers and Employees

April 2014

Published by Security Watchdog, (part of Capita plc) on behalf of the Centre for the Protection of National Infrastructure (CPNI).
Executive Summary

Research Methodology

This report sets out guidance on how to obtain criminal records disclosure on individuals in 63 countries. It includes countries from both within the European Economic Area (EEA) and countries outside of the EEA selected due to the frequency by which nationals of those countries seek employment in the UK. The guidance is aimed to assist employers and employees, (including prospective employees as part of a recruitment process), to obtain criminal record checks from overseas locations.

The country processes have been developed largely from the perspective of the individual obtaining their own criminal record check, however it has been noted where it is possible for a third party or employer to obtain the criminal record check on behalf of the individual with appropriate consents.

Our research approach utilises the following sources and findings were considered valid at the time of enquiry:

• Government Authorities directly responsible for the processing of criminal record checks e.g. Ministry of Justice, Interior Ministry, National or Federal Police Force as relevant;
• Embassies and Consulates of required countries both in the UK and in-country where required;
• Representative Legal Counsel in-country;
• Wider open and closed source research materials.

Methods of Application

The application process for obtaining criminal record checks varies significantly between countries. All countries permitted the individual to obtain a copy of their own criminal record or confirmation of no penal record depending on the reporting requirement. However only a third of countries had an online process (including those that download application forms to then send in the post) and these were typically countries that had more sophisticated and centralised systems and databases for the management of criminal records.

Over half of countries compensated for not having an online presence by enabling checks to be initiated through their UK embassies and consulates. Typically those countries that insisted on individuals only applying directly and in person would largely be managing a more provincial system of criminal record management where individual records were kept at a local administrative office or police station.

Turnaround times were inconsistent across the range of countries however those countries offering online processes typically posted faster turnaround times that those operating a provincial and local process. Turnaround times would vary from instant to 3-6 months in some cases. The average turnaround time cited for countries was between 10-15 working days.

The reliability of data is often determined by the sophistication of record keeping and the systems that support the maintenance of criminal records in-country. Nationally held records are generally considered more reliable than locally held records, although they are reliant on being kept up to date. Provincial local records may vary within a country depending on the urban or rural nature of the local administration office or police office.

There is no central repository of criminal record information in Bangladesh. Criminal records are held at regional police stations across Bangladesh. Each police station maintains a database called the Village Criminal Note Book (VCNB) which is updated annually. Records are not held electronically and searches of criminal record information are conducted manually, subsequently information may not be up to date.

• Clearly indicate the reason for the certified criminal record check:  
e.g. Employment – (the job title or position sought must be stated in the “REASON FOR APPLICATION” portion of the fingerprint form).  
• Provide:  
  – Full name;  
  – Date of birth;  
  – Gender;  
  – Mailing address;  
  – Phone number;

**Method of application**  
• Applications can be sent by post or by courier to the addresses in Section 3.  
• Although fingerprint submissions are accepted by courier, results will be returned by regular mail and not by courier. |
### Third parties/employers

The information may be released to a third party as long as:

- The individual has provided written consent authorizing the RCMP to release their criminal record information to the third party/employer.
- The consent must contain a statement that the individual is aware that refusal to give consent to release information to a third party will not negatively affect their request.
- The consent must be an original document.

### Fingerprints

- A full set of fingerprints is required, including both rolled and flat impressions of all ten fingers.
- Fingerprints are taken on form C-216C at local police station or private accredited fingerprinting agency.
- Complete all fields on the fingerprint form. Incomplete forms will be returned to the applicant unprocessed.
- Depending on the police jurisdiction, a fee may be required.

Individuals must verify the information recorded by the official taking the fingerprints and ensure that the official’s name, signature and the name of the agency is indicated on the fingerprint form.

### Electronic civil fingerprinting

Electronic processing significantly reduces processing times when there is no match to an RCMP fingerprint holding. Authorised police services which offer this service can be found at: [www.rcmp-grc.gc.ca/cr-cj/ps-sp-elect-eng.htm](http://www.rcmp-grc.gc.ca/cr-cj/ps-sp-elect-eng.htm)

Further information can be found at: [www.rcmp-grc.gc.ca/cr-cj/fing-empr2-eng.htm](http://www.rcmp-grc.gc.ca/cr-cj/fing-empr2-eng.htm)

### Where to apply in the UK

Applications must be made to the addresses in Section 3.

### How to apply in the UK

**Application process**

The application process is the same as that from Canada (see Section 4).

**Fingerprinting**

Contact the local UK police authority to ascertain which police stations to obtain fingerprints.

To be accepted by the RCMP the form must contain:

- rolled and flat impressions of all 10 fingers taken with black ink;
- full name, date of birth and sex of the applicant;
- the name and address of the police agency; and
- the name and signature of the official taking the fingerprints.
Electronic processing significantly reduces processing times (from 22 weeks to less than 3 business days) when there is no match to an RCMP fingerprint holding.

See Section 15 for changes

|   | Turnaround                    | • Electronic fingerprint submission - 3 business days or less.  
|   | Turnaround                    | There is no process for fast-tracking a request. |

| 9 | How results are presented and security features | The criminal record is divided into two sections: a listing of all names the individual has been convicted under; and then a listing of all charges, dates and place of sentence and the resulting penalties.

|   |                                               | • If there are no criminal convictions the return mailing address page will have an embossment of the RCMP logo in the bottom right hand corner.  
|   |                                               | • If there are convictions the embossment will be on the C-480. |

| 10 | Languages | The certificate is issued in English and French.  
|    |           | Any criminal convictions will be listed in the language that the criminal charges were presented to the CCRIS.  
|    |           | There is no official translation service provided. |
|   | **11** Criminal convictions listed on certificate | All convictions are listed on the certificate.

Turnaround  
Turnaround times range from 1 to 4 weeks.  
The individual can indicate that the criminal record disclosure is urgent. Some local registry offices offer a “speedy certificate of conduct” for an additional €2. In this case the turnaround time is 3 days. |
|---|---|---|
| 9 | How results are presented and security features | The certificate is issued as a hard copy by post to the individual only. Information on the certificate includes (if applicable):  
• Conviction;  
• Date of conviction;  
• Court;  
• Reference;  
• Criminal Act; and  
• Type of punishment (imprisonment or fine).  
The Certificate of Conduct is printed on green anti-counterfeiting paper from the Federal Printing Office (Bundesdruckerei) and features the federal eagle. See Section 17 for a sample certificate. |
| 10 | Languages | The certificate is issued in German only. There is no official translation service available. |
The main categories of criminal conviction listed on a criminal record certificate are:

- Violence against the person (*Körperverletzung*);
- Sexual offences (*Sexualstraftaten*);
- Burglary (*Diebstahl/Einbruch*);
- Robbery (*Raub*);
- Theft and handling of stolen goods (*Hehlerei*);
- Fraud and forgery (*Betrug und Fälschung*);
- Criminal damage (*Sachbeschädigung*);
- Drug offences (*Drogenstraftaten*); and
- Motoring offences (*Verkehrsstraftaten*).

Judgments will be removed from a criminal record after 5, 10, 15 or 20 years dependent on the crime, if no recent convictions have been added; or at the age of 90.

Once a conviction has been removed, the relevant entry in the Central Criminal Registry will be removed within one year and the conviction will cease to appear on the criminal record disclosure documents.

The following convictions are never removed:

- Lifetime imprisonment;
- Preventive detention; and
- Accommodation in a psychiatric hospital.

An Apostille can be obtained to authenticate the certificate. Before applying for an Apostille, the certificate must be overauthenticated.

**Overauthentication**

Overauthentication can be applied for either:

- When filing the application to issue the Certificate of Conduct; or
- After the certificate has been issued by presenting the original certificate of conduct.

The application may be made verbally, in person, or by single written form to:

Federal Office of Justice,
Besucherservice,
Adenauerallee 99–103,
53113 Bonn,
Germany.

Applications for overauthentication and Apostilles must state the country where the certificate of conduct is to be presented. The fee for overauthentication is €20.
### Apostille

The application to request an Apostille should be sent to:

Federal Office of Administration Cologne,  
Division II B 4,  
50728 Köln,  
Germany.

If the Apostille and overauthentication applications are made at the same time, they can both be forwarded to the Federal Office of Justice in order to simplify matters. The certificate of conduct is then forwarded to the Federal Office of Administration in Cologne for an Apostille.

The fee for issuing the Apostille must be paid to the Federal Office of Administration in Cologne. It does not have to be paid in advance.

- An individual reaches 80 years of age;
- Sentences issued by a Justice of Peace after:
  - 5 years from the period the sentence is invoked (if the sentence is a fine); or
  - After 10 years (if the sentence is not a fine or imprisonment);

| 11 | The Criminal Record Certificate is an index in which convictions of Luxembourgian and under certain circumstances, foreign jurisdictions are recorded.  
The following convictions can be found in a criminal record:  
- Any crime/offence according to Luxembourgian law;  
- Any fined penalty (except parking violations)  
- Foreign convictions can be found if:  
  – The convict is Luxembourgian; and  
  – The conviction is a crime according to Luxembourgian law.  

In case of rehabilitation, the conviction can be erased after 5 to 20 years (depending on the conviction and given sentence).  
Convictions from foreign jurisdictions are removed once they are erased in the country where the conviction took place. |

This enables criminal record checks to be authenticated by means of an Apostille. | 3 | Where to apply in country | The correct jurisdictional authority to contact for obtaining a criminal record certificate is the Population Affairs Department (Burgerzaken/Publiekszaken) of the municipality where the individual is registered in the Municipal Personal Records Database (GBA).  
If the individual is not registered then they may apply directly to COVOG at:  
COVOG,  
Postbus 16115,  
2500 BC Den Haag,  
The Netherlands.  
Tel: +31 (0)70 370 7234

Web: [www.justis.nl/producten/vog/](http://www.justis.nl/producten/vog/) |
| 4 | How to apply in country | **Via the Municipality/COVOG**  
An individual can apply for a VOG at the Population Affairs Department (Burgerzaken/Publiekszaken) of the municipality where they are registered in the Municipal Personal Records Database (GBA).  
If the individual is not registered in the GBA (usually Dutch nationals who left the Netherlands over 12 years ago and foreign nationals who once resided in the Netherlands), they should apply directly to COVOG (See Section 3) for the certificate.  
The fully completed application form, relevant fee, proof of payment and a clearly legible copy of the individual’s identity document must be submitted either to the local office or to COVOG (address in Section 3) depending on the circumstances.  
Dutch nationals residing outside the Netherlands must state the date on which they left the country.  
The application can be submitted in person or by post.  
**Online**  
Only prospective employers can apply online. The employer’s business must be registered with eRecognition ([www.eherkenning.nl/](http://www.eherkenning.nl/)) a means by which companies and organisations can be identified online and log on at [www.elovog.organisatie.dienstjustis.nl](http://www.elovog.organisatie.dienstjustis.nl) |
In addition, the individual must:

- Be registered as resident in the GBA of the municipality where they live;
- Have a social security number;
- Have a username and password for DigiD;
- Have an internet connection and an email address;
- Have a checking account with a bank that is affiliated with iDEAL (www.ideal.nl).

The prospective employer prepares the application online. The individual will receive an email stating that they have been invited to apply for a VOG. There will be a link in the email to log in with DigiD through which they can complete the request. If an individual is not registered at the GBA or has no permanent place of residence, they must apply directly to COVOG.

**Authorised third party**

They must provide the following to apply:

- a fully completed application form;
- a letter of authorisation, also stating the address to which the certificate must be sent;
- a copy of the individual’s identity document (e.g. passport);
- the authorised person’s identity document; and
- the certificate fee.

An application form for an individual (VOG NP) can be found at: [www.justis.nl/Images/aanvraagformulier-vog-np-(01122013)_tcm123-418661.pdf](http://www.justis.nl/Images/aanvraagformulier-vog-np-(01122013)_tcm123-418661.pdf)

| 7 | **Who can apply** | • Individuals;  
• Employer and individual together; and  
• Authorised third parties. |
**Cost, payment and turnaround**

**Cost**

**In person/by post**

The cost of obtaining a criminal record certificate is €30.05, to be paid on submission of the application form. If the individual applies directly to COVOG, the fee should be paid into:

Account No. 56.99.90.971  
Ministry of Justice/Justis/COVOG  
The Hague  
(stating the name of the individual)

For money transfers from abroad, the IBAN is NL47RBOS0569990971 and the BIC (SWIFT) code is RBOSNL2A, The Royal Bank of Scotland, Amsterdam.

**Online**

The cost is €24.55 if the application is made online, but payment must be made through iDEAL.

**Turnaround**

The turnaround time is 4–8 weeks from receipt of an application.

**Fast-track**

An urgent VOG NP can be submitted for work abroad. If Justis approve the application, the individual will receive the VOG within 10 days, provided that no offences in the Criminal Records System are found. It must be stated on the application if the individual wishes to use this service. An application will only be dealt with urgently when no relevant judicial information is found. There is no additional fee for this service.

---

**How results are presented and security features**

**Results**

If the individual has no criminal record, the certificate will be issued. If the individual has a criminal record, the authorities will decide whether the offences in question are relevant to the application. For example, offences that would present difficulties for someone applying for a teaching job may not be relevant to an accountant.

If the application is refused, the individual will receive written notification stating the reasons for refusal.

If the application was submitted electronically, the VOG will be sent to the address that was registered. If the VOG is needed at an address other than the “GBA address”, this must be stated on a paper application form.

**Security features**

- The certificate has the individual’s details and a background blue justice logo.
- If copied, the text “copy” will appear on the certificate.
The paper has a characteristic wavy watermark. The watermark is clearly visible; there are diagonal meandering lines when the paper is held up to the light.

- Under a UV lamp, small paper fibres in the paper and the logo at the bottom right will fluoresce. Furthermore, the number in the upper right hard corner will fluoresce blue.

To check the authenticity of a VOG there are a number of characteristics listed on the back. It is the task of the organisation to make sure someone is in possession of an authentic VOG.

A sample of a VOG can be found in Section 17.

### 1. Name of certificate

Criminal Record Certificate (Politiattest)

There are three types of certificate available depending on the purpose for which disclosure is sought.

The types of certificate are:

- **A Standard/Ordinary Certificate** is the default form of disclosure. It contains details of most categories of punishable offence.
- **A Limited Certificate** only contains details of a particular category of punishable offence relevant to a job role.
- **A Comprehensive Certificate** contains information about all convictions, with the exception of some fines in lieu of prosecution, and is required for some roles, i.e. security posts.

### 2. Department responsible for criminal records

The Criminal Register (*Strafferegistret*) is a national register of criminal records data administered by the Norwegian Police Directorate.

### 3. Where to apply in country

Applications should be made to the local police station depending where the individual lives. A comprehensive list can be found at:

### How results are presented and security features

**Results**

A Criminal Record Certificate will be issued in hard copy by post. It will be mailed directly to the subject of the check (at the address provided in the application form). For applications required for overseas employment, only one copy of the disclosure will be issued.

The layout of a Criminal Record Certificate may vary from district to district. A Criminal Record Certificate is usually printed in A4 format and signed and stamped by the issuing police service. It does not contain any other notable security features. A Standard/Ordinary Certificate will usually contain the following information:

- Place of issue;
- Full name and address of the subject;
- Date of birth and social security number;
- Position;
- Purpose of the certificate; and
- Date of issue and signature of issuer.

A certificate will provide details of disclosable convictions or will state that no such information has been found.

In some circumstances it may be possible to request a Criminal Record Certificate to be issued by fax. Enquiries should be directed to the police station or office to which the application was submitted.

---

### Languages

The certificate can be requested in Norwegian, English, French, German or Spanish.

Results in languages other than Norwegian will be issued only in the event that no criminal convictions are recorded.

In the event that a certificate is received in Norwegian, the Norwegian Embassy in London can provide a list of approved translators on request.

### Criminal convictions listed on certificate

The length of time a judgment remains disclosable is prescribed in Norwegian legislation (Criminal Registration Act 1971) and varies according to the seriousness of the conviction. The relevant information is:

- Custodial sentences of more than 6 months – 10 years from date of release;
- Committal to forced mental health protection – 10 years from date of release;
- Custodial sentences of less than 6 months – 5 years from date of release;
- Suspended sentences – 5 years from date of decision;
- Conditional waiver of prosecution for a serious crime – 2 years from date of decision; and
- Fines – 2 years from date of decision.

In addition, the following types of conviction will not usually appear in a standard criminal record disclosure:
| 12 | Confirming authenticity | Requests for document legalisation should be made to the local branch of the Ministry of Foreign Affairs. An unofficial list of Norwegian county governor offices which provide document legalisation services can be found online via the link below: [www.apostilleinfo.com/norway.htm](http://www.apostilleinfo.com/norway.htm) |
| 13 | Official bodies providing advice on interpretation of criminal records | None available |
| 14 | Legislation | The disclosure of criminal records in Norway is regulated by the Criminal Registration Act 1971, the Criminal Registration Regulations 1974 and the General Civil Penal Code 1902. Links to further legislation can be found below: Punishment Regulations (Strafferegistreringsforskrifter) - [www.lovdata.no/dokument/SF/forskrift/1974-12-20-4/KAPITTEL_1#KAPITTEL_1](http://www.lovdata.no/dokument/SF/forskrift/1974-12-20-4/KAPITTEL_1#KAPITTEL_1) Punishment Act (Strafferegistreringsloven) [www.lovdata.no/all/nl-19710611-052.html](http://www.lovdata.no/all/nl-19710611-052.html) |
| 15 | Pending changes | The Parliament in Norway has passed new legislation which will include regulations on Criminal Record Certificates. The law will enter into force at July 1st 2014. |

- Name of parents;
- Name and number of siblings;
- Date of birth or approximate age;
- Ethnicity;
- Blood group;
- Current address;

| 11 | **Criminal convictions listed on certificate** | The content of the certificate depends on the legal rules or legal requirements that are applicable to its purpose. If the request is for employment, two different situations are possible:  
  • If it is an employment or activity with a legal framework demanding the absence of previous criminal convictions (partially or totally) then the certificate will contain the relevant information to satisfy the legal requirements; or  
  • If it is an employment or activity without any specific legal requirement, the certificate will not contain any information besides criminal convictions with additional sanctions of prohibition to exercise professional activities or any safety measures of prohibition of activities.  
Convictions stay on an individual’s criminal record for varying periods of time. This is counted from the extinction of the penalty (for example, from the end of the imprisonment, or payment of a fine). The legal periods are:  
  • Sexual crimes – 23 years;  
  • Crimes with penalty over 8 years of imprisonment – 10 years;

### Cost, payment and turnaround

- There is no charge for an application for a Notice of Conviction from within Russia.

**Turnaround**

Applications take approximately 1 month to process. However, if a match on the name of the individual is identified, this can add 1 month to the processing time.

### How results are presented and security features

In the case of an overseas application, the Russian Embassy in London will contact the individual when the Notice of Conviction is ready for collection. For applications made within Russia, the relevant office will notify the individual when the Notice of Conviction is ready for collection.

The Notice of Conviction is a black and white A4 landscape document. The address of the issuing body is in the top right hand corner. Directly below this is a unique registration number. The main body of the certificate is divided into several lines detailing the information identified. At the bottom of the certificate is an official stamp with the signature of the head of the office (MIAC or MIA) that processed the request.

See Section 17 for a sample.

### Languages

The certificate is available in Russian only.

**Translation**

The Russian Embassy in London can provide a list of authorised translators, with the translated copy being subject to legal notarisation. See Section 5 for contact details.

For applications by UK citizens who live in Russia the certificate can be translated and an Apostille placed upon it by the British Embassy in Moscow.

The address of the Embassy is:
British Embassy,
Smolenskaya Naberezhnaya 10,
Moscow 121099,
Russia.

Tel: +7 (0) 95 956 7200
Email: consular.moscow@fco.gov.uk
### Criminal convictions listed on certificate

The following categories of conviction all exist in Russia:

- Violence against the person (преступление против жизни и здоровья);
- Sexual offences (преступление против половой свободы и половой неприкосновенности личности);
- Burglary (ограбление);
- Robbery (кража);
- Theft and handling of stolen goods (приобретение или сбыт имущества, заведомо добытого преступным путем);
- Fraud (мошенничество);
- Criminal damage (умышленное уничтожение или повреждение имущества); and
- Drug offences (незаконное приобретение, хранение, перевозка, изготовление, переработка наркотических средств, психотропных веществ и их аналогов).

Other offences include: acts of terrorism, offences against society, offences against the state, offences against peace and security.

If no criminal records are identified, a Certificate of No Conviction will be issued. If criminal records are identified, the following information for each record will be provided on a Certificate of Conviction:

- Type of conviction (including spent convictions);
- Date and place of the conviction (including name of the court);
- Period and place of imprisonment (if applicable); and
- Date of discharge.

There is no obligation on the Russian police forces to destroy criminal records information. Criminal records generally remain on record at the MIAC for the duration of the life of the individual.

In instances where a conviction is spent, in most circumstances the individual is no longer obliged to reveal the existence of the record in most circumstances. However, the record will not be removed from the MIAC database.

### Confirming authenticity

**Turnaround**

- 14 working days from receipt of the application at the Criminal Record Centre. Where previous convictions are identified, the processing time is longer;
- There is no fast-track service available.

### 9 How results are presented and security features

If no previous convictions are identified, an A4 certificate stating that the individual has no convictions recorded is issued. The certificate will be signed and have a SAPS date stamp.

If previous convictions are identified, the certificate will consist of at least 2 A4 pages. The first page will state that the conviction(s) appearing on the annexed pages were committed in the Republic of South Africa. The additional pages will show details of the convictions and sentences. Each page of the certificate will be signed and stamped with a SAPS date stamp.

The following information will appear on a South African Police Clearance Certificate:

- Enquiry number;
- Transaction number (for office use);
- Country of birth;
- Title;
- Surname/s;
- Maiden name/s (if proof is provided);
- Name/s;
- Signature by authorised commissioned officer (in blue); and
- SAPS date stamp of issue.

**Security features**

- The Police Clearance Certificates (SAPS 365) is issued on unique paper with water markings on it;
- All individuals applying for a Police Clearance Certificate receive a unique reference number relevant only to their Police Clearance Certificate; and
- Only a limited amount of authorised commissioned officers may sign Police Clearance Certificates on behalf of the National Commissioner of the South African Police Service.

### 10 Languages

Certificates are only available in English.

### 11 Criminal convictions listed on certificate

Any criminal offence or “admission of guilt payment” made for an offence in the Republic of South Africa will appear on the certificate.

Convictions are not automatically removed. A person can, under certain circumstances, after a period of 10 years after the last conviction, apply at the Department of Justice for convictions to be expunged. If the application is successful then this conviction will be removed from the record. All other convictions remain on an individual’s record until death.
